Press Release

VKB MILLING EXTENDS EVEN MORE

On July 1st VKB Milling has added the Zoutpansberg Mill in Louis Trichardt to its company to trade under VKB Milling (Pty) Ltd. This mill is now known as VKB Milling Zoutpansberg and is a division of VKB Milling with all the other brands in the VKB Milling stable.

This new addition fits perfectly into the strategy of the VKB Group to invest more into the agricultural value chain and more specifically in the supply of food to the broader public.

The increased demand for the VKB Milling brands resulted in further expansion of capacity following the increase of capacity in 2013 and again in 2015 at VKB Milling's mills in Mokopane/Potgietersrus. This will grant VKB Milling the opportunity to approach new markets and clients with its quality meal products as well as its range of diverse products.

Most of the staff members were incorporated and ensure continuity in the transitional stage.

The public is welcome to visit the new mill and its new M Factory Food Shop to experience the new look.

VKB Milling will also distribute from Mokopane/Potgietersrus, Polokwane/Pietersburg, Makhado/Louis Trichardt and Thohoyandou to ensure that clients get the best possible service and that meal is readily available.
