

First Israeli-Agri-Seminar – in Limpopo

Following the success of the previous agri-seminars in the Eastern Cape, Mpumalanga, the Western Cape and Kwazulu Natal, the Embassy of Israel is excited to invite you to the first Israeli Agri-Seminar in Limpopo.

Israel is a world leader and innovator in agriculture, irrigation and arid area vegetation. This event will offer local business leaders and farmers the opportunity to learn about Israeli innovations in a wide variety of agricultural techniques and water management. Topics to be covered include irrigation, climate control, aquaculture, greenhouse technology, technology, undercover farming, poultry, advanced fertilizers, bio-pesticides and control, chemicals and much more.

This special event was designed to be relevant to the agricultural environment of Limpopo and there will be ample opportunity for business to business meetings. Keynote speakers will cover a variety of topics and following that representatives of Israeli agricultural companies will be present and open to one-on-one interactions.

The event will take place on the 23rd of November 2016 in Polokwane commencing at 09h00. Participation is free of charge but requires pre-registration. To register please email your I.D and cell number to:
