OVERVIEW

ABOUT SUMMIT

We are delighted to invite you to Africa Annual Summit on: AgriTech and Climate Smart Agriculture, 2022, which will take place on the 7 and 8 December, 2022 at Irene Farm Centurion-Pretoria.

Join us for an event which offers a meeting place for top manufacturers, researchers, academics, decision-makers and other business professionals who are keen to share their knowledge and experience in optimizing the agricultural farming process in the age of technology.

The summit represents a unique opportunity for learning, exchanging opinions, and expanding one's network enabled by live presentations followed by dynamic Q&A sessions – providing the attendees with valuable insights from specialists in the sphere of agriculture technologies.
