

# Legal Intelligence

Agbiz Media Day  
6 December 2024  
Thapelo Machaba

## **Legal Intelligence Activities**

### **Policy and Legislation**

- Analysing and monitoring policies and laws affecting the agricultural value chain.
- Collaborations with BUSA, NEDLAC and other stakeholders.

### **Rural Rejuvenation**

- Partnering with stakeholders and members to enhance rural economic opportunities.
- Youth Placements: Developing collaborations to bridge the skills gap and secure employment for youth in local and rural areas and Strengthening rural communities through socio-economic initiatives
- Workshops to be done through out the year.

### **Input Cost Reports**

- Producing comprehensive monthly reports on critical agricultural inputs like fuel and fertilizers.
- Supporting stakeholders with data-driven insights to optimize cost planning and decision-making
