

**INVITATION TO THE MINING, AGRICULTURAL AND TOURISM
OPPORTUNITIES IN NIGERIA (MATON) TRADE SHOW TO BE HOSTED IN
PRETORIA, SOUTH AFRICA ON THE 4-5 APRIL 2018**

31 January 2018

Dear Agbiz Members,

Over 180 South African companies are already doing business in Nigeria and the MATON, which is an acronym for Mining, Agricultural, and Tourism Opportunities in Nigeria, is a trade show/conference created to enhance awareness of the enormous potential of the various states in Nigeria. It will be an avenue to showcase products, services, hospitality and the enormous business potential in the Nigerian economy. This will be an opportunity to tell the story of the Nigerian states first hand to potential investors and vice versa. It will also further showcase the possibilities in coming together to do business.

MATON 2018 will provide a platform to interact with key decision makers in the Nigerian government, endorsed by Nigerian High Commission in Pretoria, business captains and civil society. The trade show is taking place between the 4 and 5 April 2018 in Pretoria, South Africa. As an Agbiz member you will qualify for **fifteen (15) percent** discount on the conference registration fee. You are also invited to exhibit your products and services to potential investors and business partners from Nigeria that will be gracing the event.

For more information on trade show and registration visit MATON website: www.maton.com.ng or contact Deji Adeleke on:
