**TO: THE INDUSTRY AND THE REGISTRATION HOLDERS OF FARM FEEDS**

**RE: EXTENSION OF THE LATE RENEWAL PERIOD OF FARM FEED REGISTRATIONS FOR  
2020/2023 RENEWAL CYCLE IN TERMS OF FERTILIZERS, FARM FEEDS, AGRICULTURAL  
REMEDIES AND STOCK REMEDIES ACT, 1947 (ACT NO. 36 OF 1947)**

1. This letter serves to inform the industry and the registration holders that the late renewal period of farm feed registrations for 2020/2023 renewal cycle has been extended from 30 April 2020 to 31 May 2020.
2. The decision to extend the late renewal period is based on the fact that there has been a national lockdown in the country during the month of April 2020 which is the month of the late renewal period. That means that the office has not been operational during this period hence some registration holders could not submit their late renewal applications.
3. You are advised to send your late renewal application electronically and submit the original application once the national lockdown has been ended. The application must be accompanied by the duly **completed service request form and Form A (renewal application form)** and the renewal fee plus the late renewal fee (*please see attached tariffs*).
4. Please e-mail your application to [LindinkosiL@daff.gov.za](mailto:LindinkosiL@daff.gov.za) and copy (cc) [ShirleyMa@daff.gov.za](mailto:ShirleyMa@daff.gov.za) and [DavidKab@daff.gov.za](mailto:DavidKab@daff.gov.za)

Trusting the above is in order.

Yours faithfully

REGISTRAR: ACT NO 36 OF 1947
